

Buy and Download active Nigerian mobile phone and GSM number database list from all the 36 states of Nigeria and their Local Government for marketing to targeted audience.

Jan 4, 2018 | sms@ufumes.com | www.PhoneNumberExtractor.com

We have a comprehensive database of valid and active Nigerian Phone Numbers sorted and classified into state by state and each state's Mobile number collection is further grouped by their local Government (LGA). Our GSM Numbers database was recently obtained and it has a very high percent of active (ie ringing) numbers. Our list makes it easier for your targeted location-based campaigns, advertisements and mobile marketing activities in a cost effective way. We can also assist you in sending Bulk SMS to your targeted Nigerian audience through our reliable SMS gateway.

If you are in doubt on the quality of our numbers, please feel free to request for sample numbers or previews of any location of your choice, so you can ascertain the quality of our numbers before making payment. Some previews are attached to this document.

Our pricing

We offer a very affordable and flexible. Though the mobile gsm database was obtained through a painstaking and expensive process, we have decided to offer it at a giveaway price. We can sell the entire Mobile Numbers database at a token or one may decide to order up the entire GSM database for a particular state. We also sell in smaller bits. We sell to suit your needs and choice.

Our current pricing is as follows

- **Below 5,000 numbers of any state or LGA costs N1/number**
- **Above 5,000 numbers of any state or LGA costs between 70kobo to 3kobo per number depending on the volume of numbers.**
- **The cost of an entire LGA, state or whole Nigerian GSM Database is negotiable. Feel free to contact us to negotiate the pricings.**
